General James Longstreet fought in nearly every campaign of the Civil War, from Fort Sumter to the last (the battle of Bull Run) on to Antietam, Fredericksburg, Chickamauga, Gettysburg, and was present at the surrender at Appomattox. In fact, he was largely held to blame for the Confederacy's defeat at Gettysburg. General James Longstreet shed new light on the controversial commander and the man Robert E. Lee, calling him a "war horse" and "war hero." Extraordinary stories of courage by rescues of those on the run in fascist Europe. This book illustrates the consequences of man-made horrors but also the best of humanity in dark times.

Featuring sixteen contributions from recognized authorities in their respective fields, this superb new mapping of women's writing ranges from femine middlebrow novels to Virginia Woolf's modernist aesthetics, from women's library journalism to crime fiction, and from West End drama to the literature of Scotland, Ireland and Wales.

Earnest was his great-grandfather. Material on the routines of camp life, on the limitations of the transportation system, which hindered the South's war efforts, and on travel across the western Confederacy address the lack of provisions, deficits in the Confederate

Earnest and his family and friends were part of a generation that grew up in a time of great change and upheaval. The Civil War, in particular, had a profound impact on their lives and the lives of generations that followed. The war was not just a military conflict, but also a social and cultural revolution that transformed the South in ways that are still felt today.

The book "Divided Loyalties: The Diary of a Basketball Father" offers a unique perspective on the Civil War through the lens of a single family. The author, David McCullough, uses primary sources and historical research to bring the story to life, providing a vivid picture of the times.

"Divided Loyalties: The Diary of a Basketball Father" is a compelling read for anyone interested in American history, particularly the Civil War and its impact on the South. It provides insight into the lives of ordinary people during a time of extraordinary change.

The book "Divided Loyalties: The Diary of a Basketball Father" is available for purchase online and at bookstores near you. Don't miss out on this fascinating story of a family's journey during one of the most significant periods in American history.
With extraordinary skill, metropolitan.The Literature of the Great War, 1883-1940, explores a defining moment in American letters. The volume begins with sections on Reference, Natural History, and Native Americans. Its divisions then follow the major periods of the state's history: Before Statehood, State Development, Civil War, Late Nineteenth Century, Early Twentieth Century, and the 19th century.

Economic of the ongoing tensions between America's expensive diplomatic promises and its enduring racial realities. Washington often served as a national battleground for contentious issues, including slavery, segregation, civil rights, the drug war, and gentrification. B.D.C. is more than just a seat of government, and authors Chris Myers and Richard G. Barbee argue that the district could have made its voices heard in an undeniable way. The city's fiscal problems are almost entirely the result of massive transformations—from a sprawling plantation society into a diverse metropolis, from a center of the slave trade to the nation's first black-majority city. From "Chesapeake City" to "Ass-Wreck to Shug's Harbor" offer an engaging narrative peppered with unforgettable characters, a history of deep racial division but also one of hope, resilience, and rebirth.

Though he traditionally has been saddled with much of the blame for the Confederate loss at Gettysburg, J.G. C. (J. George C.) Longstreet often gave him the sobriquet "bull of the woods" for his aggressive tactics at Chickamauga. Now, historian Alexander Mezrich offers a comprehensive analysis of Longstreet's leadership during his seven-month assignment in the Tennessee theater of operations. He concludes that the obstacles to effective command faced by Longstreet during his assigned tour at least as much as to withstanding provocation and politically motivated prejudices as they did with any personal or military shortcomings of Littleton.

The stirring history of a president and a capital city on the front lines of war and freedom. In the late 1840s, Representative A-Abraham Lincoln relocated at Mrs. Sprigg's boarding house on Capitol Hill. It is now a Smithsonian Institution. Mrs. Sprigg's hosted lively dinner table debates of anti-slavery politics by the congressional establishment. In the 1860s, Lincoln became a figure in the underground railroad. This story begins in Washington, D.C., and concludes in Chattanooga. In 1861, now in the White House, Lincoln took up the Confederate flag and the Union. For the first time, the white house was a symbol for the nation. Abraham Lincoln is the leader of the Union. The White House is a symbol of the nation's pride and strength. It is the place where the president lives and works. It is a symbol of the nation's unity and identity.

British social reformers Emma Cons (1838-1912) and Lucy Cavendish (1860-1934) broke new ground in their efforts to better the lot of the working poor in London. They hoped to transform these people's lives through education, art, music, culture, and political activism. A thorough examination of the historical context of these two women's lives and the social movements of the time. The work provides an in-depth analysis of the issues they addressed and the strategies they employed. The book is written in an accessible style and is suitable for students and general readers interested in the history of social reform and the role of women in society. The book is divided into two main sections. The first section covers Emma Cons's life and work, including her involvement in various social reform movements and her role as a catalyst for change. The second section focuses on Lucy Cavendish's life and contributions to social reform. Throughout the book, the authors provide insightful analysis and commentary on the historical context and the impact of these women's work. The book is an important contribution to the study of social reform in the Victorian period and the role of women in shaping the history of the time.
under aliases, working in ciphers, and leaving coded messages in the trees of Paris’s Tuileries Gardens, Bancroft filtered information from unsuspecting figures including Franklin and Deane back to his contacts in Britain, navigating a complicated web of political allegiances. Through Schaeper’s keen analysis of Bancroft’s correspondence and diplomatic records, this biography reveals whether Bancroft should ultimately be considered a traitor to America or a patriot to Britain.
