Why measuring outcomes is important in health care 29.07.2021  
Arizona's Premier Veterinary Surgical Practice

Our Vision
We pride ourselves on being one of the few privately owned premier veterinary surgical practices in Arizona. We hold ourselves to high standards in the industry while providing innovated surgical solutions, incomparable patient care, state-of-the-art facilities, and highly trained medical teams.

Our Mission
Our team is a group of dedicated veterinary professionals.

The Patient Care Technician program is offered via on-ground and hybrid delivery methods. The program is available to residents of Arizona, and Texas. Applicants to the PCT program must have obtained a Certified Nursing Assistant (CNA) credential prior to enrollment in the program. While there may be online components, completion of this program requires on-ground attendance at the campus...
