Einführung in das Alte Testament

Encountering the Bible

The God of the Old Testament This accessible introduction to the Book of Genesis examines introductory issues, overarching themes, and the overall argument of the book.

Encountering the Old Testament (Encountering Biblical Studies) If the Word of God is our anchor in the chaos of this world, if it is our assurance that we can know the world and God its creator, we need confidence that we can understand this Word. Reading and applying the Bible is essential to every facet of Christian life and ministry, yet our ability to do so is under attack from a myriad of directions. In Postmodern philosophy, the possibility of communication is dismissed, let alone communication from God. In Biblical studies, the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day. However, the Bible is not so pessimistic about its accessibility. Instead, it presents itself as a clear word, sufficient to guide and encourage Christians in every area of life. Beginning with the Bible’s own claims to clarity and sufficiency, The Gift of Reading Part 1 outlines the practice of reading the Bible in order to understand and apply it. The Gift of Reading Part 2 will go further into the theory that lies beneath the methodology unpacked in Part 1.

Encountering the Manuscripts Readings from a variety of genres provide Bible readers with essential background information on the New Testament.

Readings from the First-Century World

The Interpreted New Testament

The New Testament surveys the content and theology of the Fourth Gospel. Includes photos, maps, line drawings, and an instructor’s manual.

Encountering the New Testament What is so new about the New Testament? Senior scholar Donald Hagner tackles the issue of how distinct early Christianity was from the first-century Judaism from which it emerged. He surveys newness in the entire New Testament canon, examining the evidence for points of continuity and discontinuity between formative Judaism and early Christianity. Hagner’s accessible analysis of the New Testament text shows that despite Christianity’s thorough Jewishness, the Bible is not so pessimistic about its accessibility. Instead, it presents itself as a clear word, sufficient to guide and encourage Christians in every area of life. Beginning with the Bible’s own claims to clarity and sufficiency, The Gift of Reading Part 1 outlines the practice of reading the Bible in order to understand and apply it. The Gift of Reading Part 2 will go further into the theory that lies beneath the methodology unpacked in Part 1.

Encountering the Book of Romans

The book includes summary tables, diagrams, maps, and extensive bibliographies.

Encountering the New Testament helps students further their personal relationship with Jesus Christ by growing in understanding of Jesus’ historical, cultural, and religious background through an in-depth look at Scriptures. Answering the question, “Who is Jesus of Nazareth, the person of faith called ‘Christ, the Son of God?’” is a central focus of the text. In answering this question, the students will explore how the New Testament scriptures provide us with an answer.

Encountering the New Testament Manuscripts The Interpreted New Testament integrates insights from 20 years of experience translating the New Testament into a minority language. This extended English paraphrase communicates the meaning of the New Testament simply and clearly, and can be especially helpful for new Bible readers. The paraphrase is accompanied by in-line commentary that explains historical and cultural background, highlights Bible themes, and gives alternate interpretations of difficult passages. To further aid new readers of the New Testament, the paraphrase is preceded by a harmony of the Gospels, a brief overview of Old Testament teachings necessary for understanding the gospel message, and is followed by several appendices. One of these discussions in detail what new believers should understand about their salvation and about following Jesus. Ideal for encountering the New Testament for the first time or studying it more deeply, The Interpreted New Testament is a unique resource for understanding God's word better.

Flavius Josephus und das Neue Testament Presents biographical facts, theological development, scholarly contribution, and personal evaluation of thirty-five contemporary evangelical Bible interpreters.

NIVAC Bundle 2: Historical Books This is a print on demand book and is therefore non-returnable. The field of textual criticism remains an exciting one. Thousands of manuscripts have been recovered in recent years. Using the methods of textual criticism, translators have been able to discern from these manuscripts a product of a genuine New Testament. Scholarly books and academic pedagogical aids and features a new interior design.

Encountering Jesus in the Real World of the Gospels Cadni Parker Encounterinig Jesus in the Real World of the Gospels draws readers into a deeper understanding of ancient Israel and first-century Judaism—the clothing, setting, political climate, and more—to better understand Jesus ministry. Instead of reading the Gospels through twenty-first-century eyes, author Cadni Parker introduces readers to the larger context with the weight of the Old Testament behind them. This is an approachable and conversational book that introduces readers to the complex world of human Jesus. Have you ever wondered if it is important that Jesus was born in a humbling way but more important that his humanity helped him to get to know the common people? Did you ever think that through Jerusalem was the place he spent the most time? And that the people Jesus encountered got to see the city of their ancestors? The purpose is to advance readers understanding of the Gospels and help them encounter Jesus, the disciples, and the people that the Jesus is talking to in a different way. It takes the land of ancient Israel and the people of the time in a real place to explore the land of ancient Israel, the Jewish religion, and the Jewish people. Includes many images, maps, photos, and drawings throughout. About the Author Cadni Parker, PhD, University of Gloucestershire) teaches in seminaries, universities, and churches around the world. Cadni lived in Jerusalem for five years, has led dozens of trips to Israel, and continues to develop innovative, educational trips that inspire students of all ages through experiential education.

How New Is the New Testament? According to author Hassell Bullock, "No collection of poems has ever exercised as much influence on the Western world as the Book of Psalms." The attraction for Jews, Christians, and others is surely the personal element that pervades these poems, which describe the human situation in all its complexity. Though the Psalms are perhaps the most familiar portion of the Hebrew Bible, they are also among the most difficult to interpret. As a result, Bullock has created this guide to introduce students to the study and interpretation of the Psalms. Encountering the Book of Psalms begins by examining literary and hermeneutical dimensions. Bullock discusses the nature, structure, and authorship of the Psalter and provides readers with specific principles for interpretation. He goes on to examine the use of Psalms in worship from the ancient world to the twenty-first century. He further explores how the psalmists used historical reflection to serve their theological purposes, and he concludes by investigating different types of psalms (e.g., praise, lament, and wisdom). Like other volumes in the Encountering Biblical Studies series, Encountering the Book of Psalms is designed for classroom use and includes a number of helpful features, including chapter objectives and outlines, sidebars, charts, and illustrations.

Bible Interpreters of the Twentieth Century Robert Yarbrough, coauthor of the bestselling Encountering the New Testament, offers a historical and theological commentary on the Johannine Epistles in this new addition to the BECNT series. The commentary features the author's detailed interaction with the Greek text, explores the relationship between John's Epistles and Jesus's work and teaching, interacts with recent commentaries, is attentive to the history of interpretation, and seeks to relate these findings to global Christianity.
